Dear Bob:

Your invoices numbered 22585 through 22604 have been processed for payment in the amount of [redacted] less than the gross amount billed as suggested in your letter dated 19 January 1959.

25X1A

We have taken this action, even though a number of DD Forms 250 properly signed have been received since date of your letter, to permit the earliest possible payment. You are further advised this payment action was taken without any review of your claim with the feeling that when our examination is completed we will either draw a check for any amount that may then be paid or bring any variance to your attention for adjustment or refund.

Very truly yours,

Doug
